

## WHAT IS BSSSC?

The Baltic Sea States Subregional Co-operation (BSSSC) [correctly pronounced: B-triple-S-C] is a political network for decentralised authorities (subregions) in the Baltic Sea Region. Youth policy is one of the main priorities of the BSSSC. Therefore young people and youth-representatives from the Baltic Sea States meet twice a year to provide the BSSSC regions with information on youth policies in the Baltic Sea Region, to ensure the dialogue between policymakers and young people; prepare position papers, initiate own projects and events, and exchange best practices in the field of youth work.

## WHAT IS THE EVENT ABOUT?

The BSSSC Youth Event 2024 is your chance to meet other young people from the Baltic Sea Region. Participants will engage in discussions on current issues, formulate ideas, and envision the future of the Baltic Sea Region, sharing these perspectives with policymakers and stakeholders.

The event, hosted at Nordkolleg Rendsburg in the Region of Schleswig-Holstein, Germany, aligns with the BSSSC Annual Conference "Let's fight for resilient societies and communities in the Baltic Sea Region" in Kiel. Participants will actively contribute to the Annual Conference, presenting and discussing their ideas.

The BSSSC Youth Event 2024 will focus on discussions about the needs and demands of young people in the Baltic Sea Region as well as issues relevant to the Baltic Sea Region, such as democracy, culture & resilience or Ukraine. In addition participants are encouraged to bring forth their own ideas.

Beyond discussions, attendees will have the chance to connect with proactive and dedicated youth representatives from local and regional youth councils, as well as NGOs throughout the Baltic Sea Region. This event not only provides a platform for dialogue but also serves as an opportunity to actively contribute to the development of the Baltic Sea Region.
